

Iberpapel acknowledged by European Commission and Basque government for its environmental management

- Yesterday Iberpapel received a European Business Award for the Environment in the *Management award for sustainable development* category under the Basque award scheme.
- These prizes are awarded by the *European Commission's Directorate General for the Environment* and they recognise companies for their contributions to sustainable development.

Madrid, 25 February 2010

Yesterday Iberpapel received a *European Business Award for the Environment* in the *Management award for sustainable development* category under the Basque award scheme. These awards were created by the European Commission *Directorate General for the Environment* in order to publicly recognise and promote companies that integrate sustainable development into their activities.
