2017 Annual General Meeting

Iberpapel pays total dividend of €0.65 per share

Madrid, 24 May 2017

Iberpapel's shareholders approved a €0.35 per share dividend at the company's Annual General Meeting on 24 May 2017.

The company's directors had already approved an interim dividend from 2016 profits of €0.30 per share at a Board meeting on 27 February 2017. This dividend has already been paid out. Accordingly, total shareholder remuneration for the year will amount to €0.65 per share.

The final dividend approved at the AGM will be paid out on 15 June.
